

## **Gender Sensitization Action Plan**

Late Dattatraya Pusadkar Arts College is an institution known for its holistic development of the youth along with the society. The institution understands the responsibility for developing morally upright citizen capable of thinking, learning and striving for nation building. The institution is committed to the creation of self reliant center of excellence that imparts knowledge and develops the right values, attitudes and skills stressing quality consciousness to produce ideal citizens who can contribute their might to the nation building.

By empowering all the staff to thrive, the college can better achieve its aim of shaping the world by developing innovative and creative solutions to complex, local, national and global problems. Late Dattatraya Pusadkar Arts College is recognizing for its diversity in academic and cultural (co-curricular and extra-curricular) work. The performance of the institution in relation to the gender equity shows significant space for the development of women beings.

Gender equity includes the equal treatments in terms of rights, benefits, obligations and opportunities. Equity is used for the education, health and humanity and referring to the equal distribution of resources based on the needs of different group of people.

By considering this in view, the institutional annual gender sensitization action plan to maintain the equity in all aspect is given below.
